

Front-End Developer

Apply now

Your job

At Accenture Song, a front-end developer is more than simply someone who has certain skills at their fingertips. We want a front-end specialist who makes their mark on a project, someone who's obsessed by quality, with an inborn drive for improvement, boundless enthusiasm, and an insatiable desire to learn. In a nutshell, a front-end thoroughbred.

That is why:

- ✓ You'll work in HTML, SASS, ES6 and with WebPack, Git, Node/NPM, Typescript, Twig, etc.
- ✓ You have a thorough knowledge of ReactJS / Vue / Angular
- ✓ You understand that delivering good, clean, tested code is a priority.
- ✓ You're able to work alone or as part of a team at the kitchen table or in a war room, at every stage of a project, from strategy to design to development.
- ✓ You'll work in an agile way with a motivated scrum master (our digital project manager) to support you.

strategy; and campaign, content and channel orchestration. With strong client relationships and deep industry expertise, we help our clients operate at the speed of life through the unlimited potential of imagination, technology and intelligence.

Your background

- ✓ 2-3 years of professional experience in frontend development
- ✓ You have a solid understanding of software engineering practices: OO, DevOps, CI/CD, automation, etc.
- ✓ Fluent in English and Dutch. French is a plus.
- ✓ Proactive and analytical mindset with an eagerness to learn and grow.
- ✓ The ability to handle diverse working cultures, both between clients as internal delivery teams.
- ✓ You have entrepreneurial mindset and can use your communication skills to build valuable relationships with clients.
- ✓ You are familiar with writing tests for your application.

Our offer

Accenture Song is an incredible place to work - and keep learning. By joining us, you'll become part of a global company with a world-class brand and reputation. Besides the work we do for our clients, we're really proud of our vibrant, diverse workplace culture: we believe in openness and honesty, fairness and equality, common sense and realism. We want to get to know the real you and help you explore and grow - whatever it is you're great at. So you will always have lots of learning opportunities (formal and informal) to improve your role-specific skills and expertise.

Besides our high-profile, challenging projects and our nurturing work environment, we offer excellent employee benefits, including:
